

SUMMARY OF THE PLASTIC SURVEY

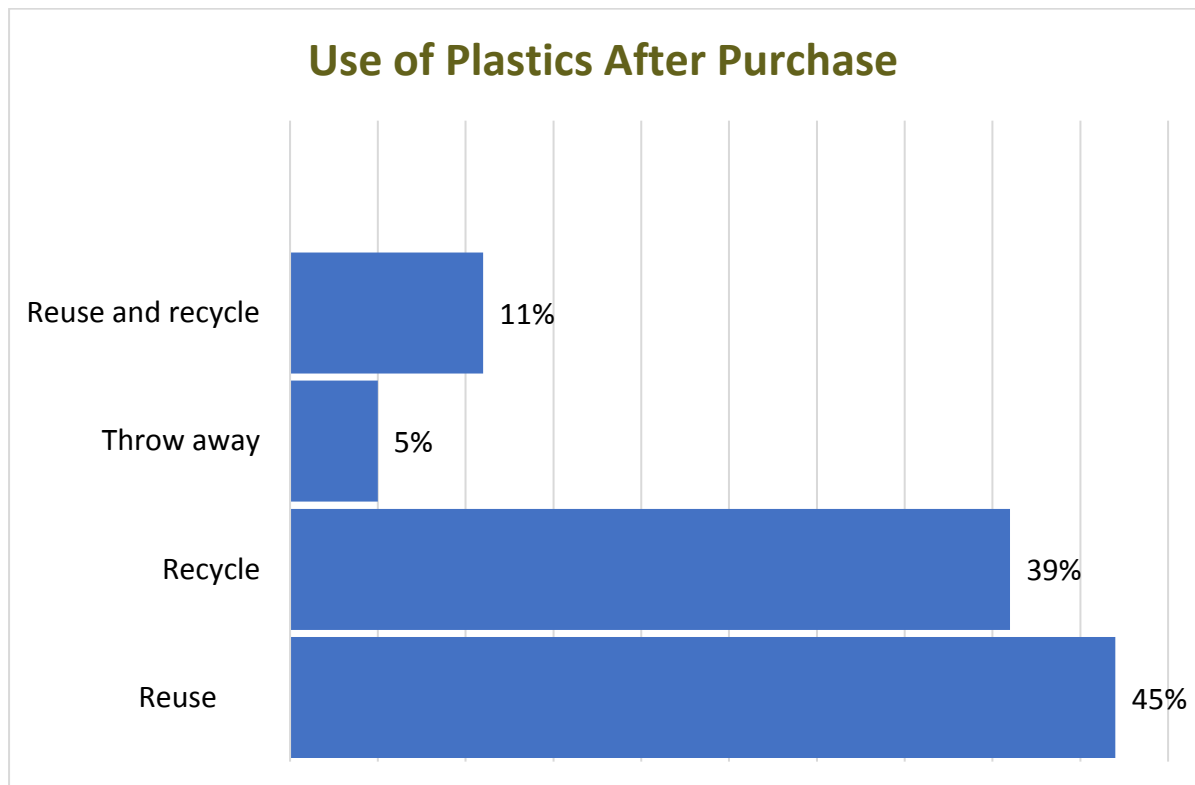

22 APRIL 2017- MAERUA SUPERSPAR

On Saturday, 22 April 2017, between 09:00 and 12:00, the public completed a multiple-choice survey on plastics, and potential regulations to be imposed on the use of plastics. A total of 82 people completed the survey. The Plastic Free Campaign Petition was also signed by 147 people.

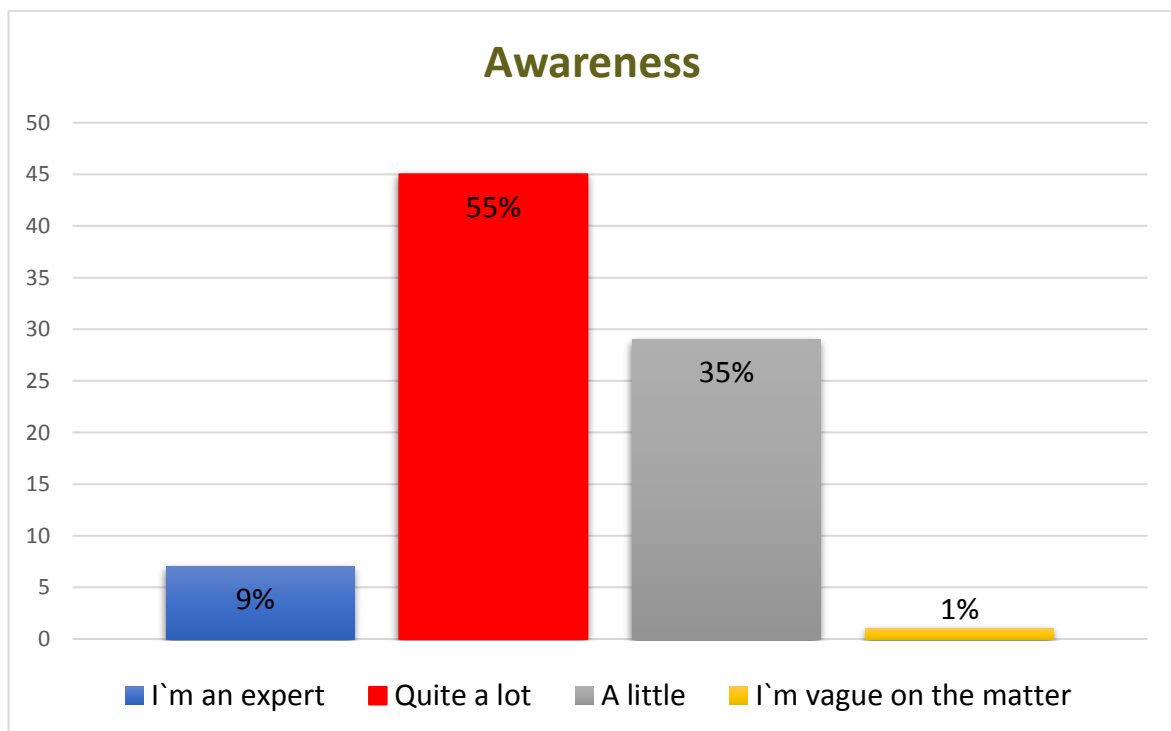

Total number of people that completed the survey = 82

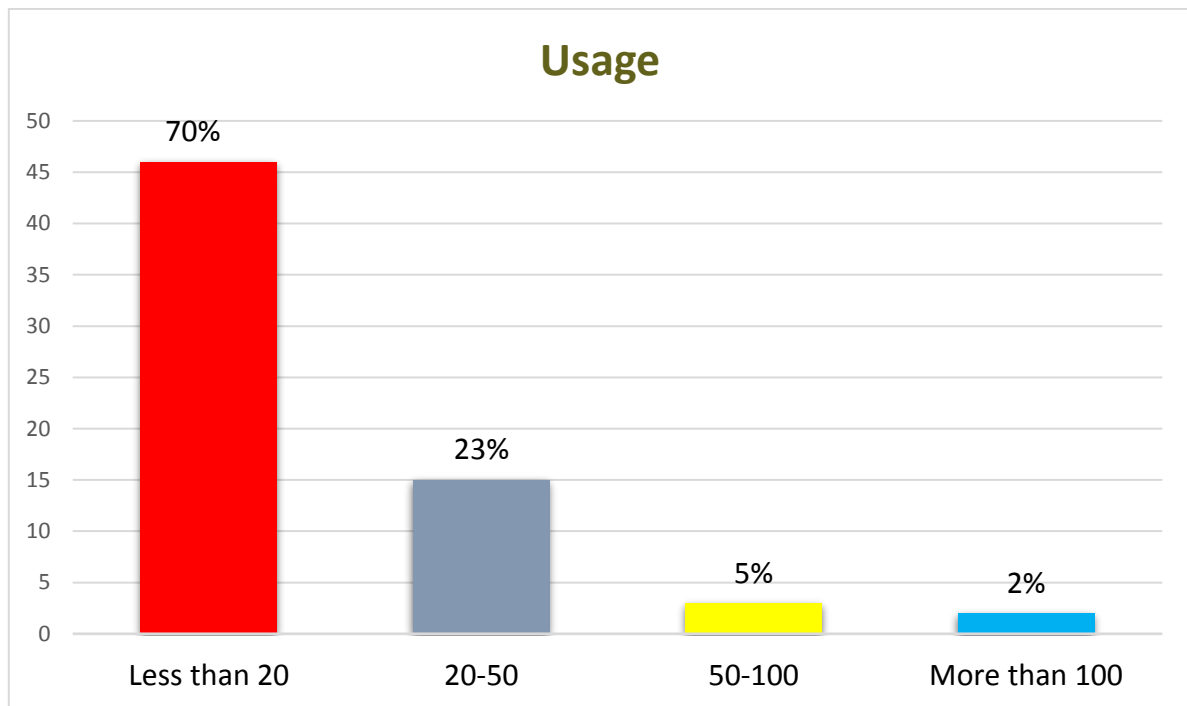

What do people do with their plastic bags?

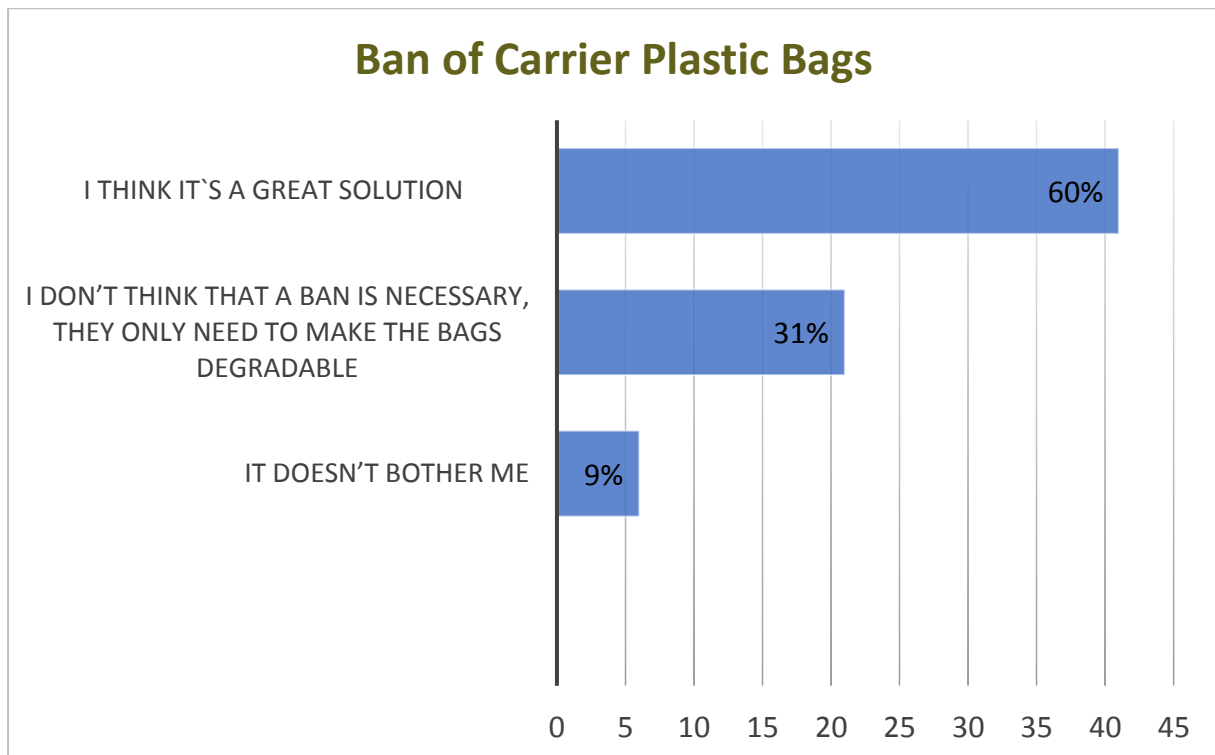

How aware are people of the impact of plastics on the environment?

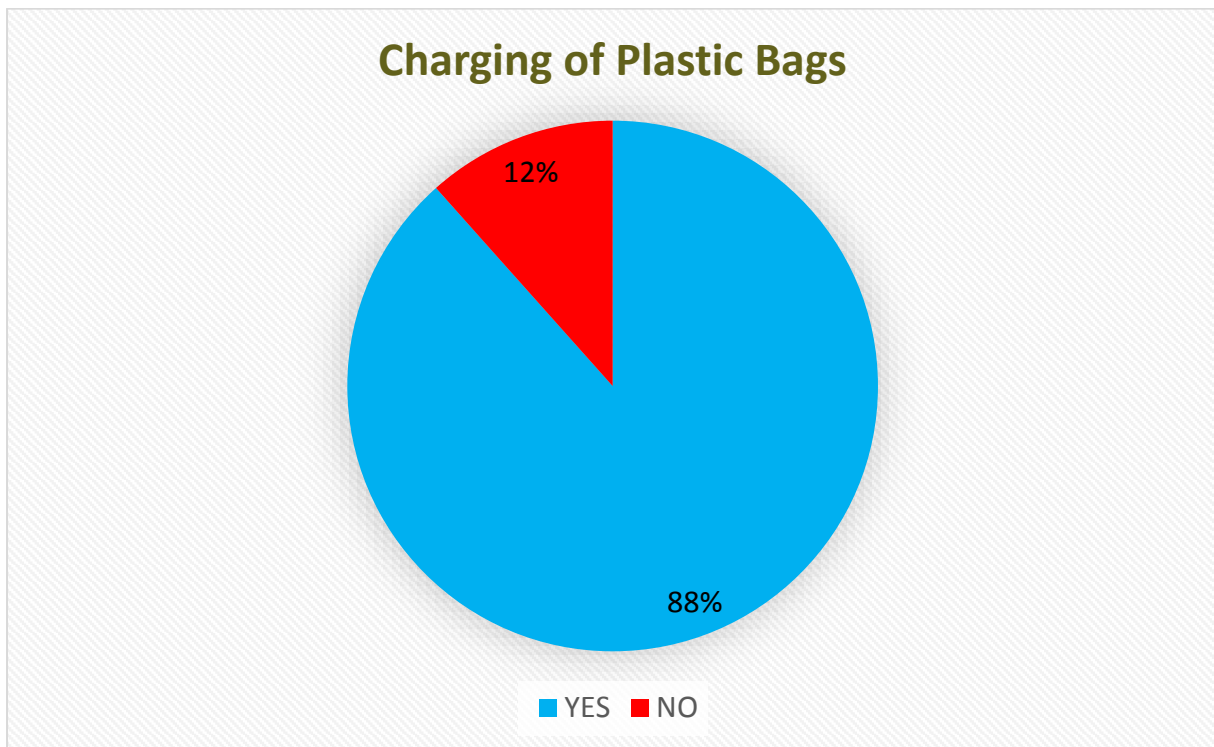

How many plastic bags are consumed per week, per household?

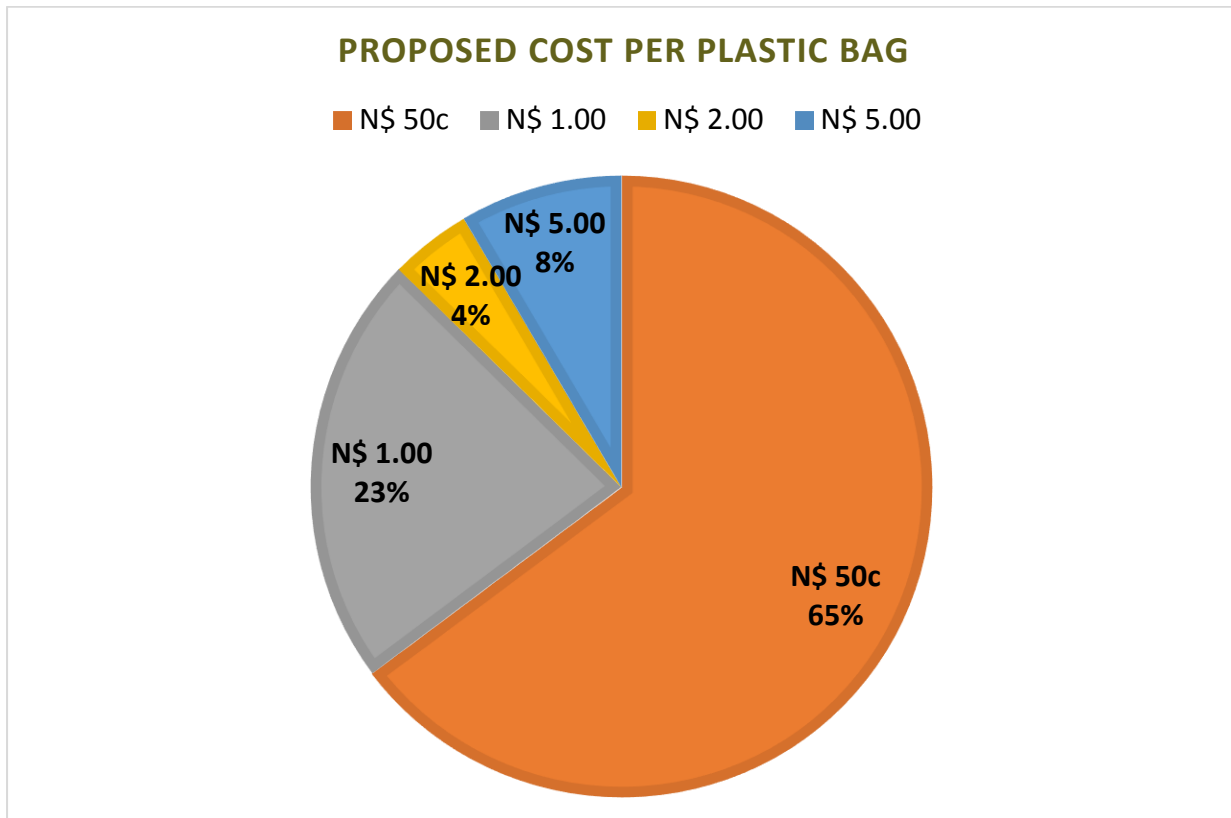

How would you feel if the government banned the use of plastic carrier bags?

Is it a good idea to charge for a plastic bag?

How much should each plastic bag cost?

Are you ready to support efforts to reduce consumption of plastic bags?
