

NaDEET is seeking an intern!

NaDEET is seeking energetic, dedicated and qualified individual for the following position:

NaDEET Swakopmund: Postgraduate Intern

This position is based in Swakopmund at NaDEET's head office and new Urban Sustainability Centre. The ideal candidate is a self starter who is well -versed in sustainable environmental practices. The job entails:

- Developing Environmental Education programmes
- Producing environmental literacy materials
- Assist with the development of the Urban Sustainability Centre
- Marketing and representing NaDEET at various forums

Position starts early July

All candidates must have a clean record, be in good health and have excellent communication skills. Candidates must also be computer literate and must have knowledge of basic Microsoft editing and publishing software.

If you have the relevant qualifications in environmental science, nature conservation, environmental education or similar send your CV and motivational letter by 29 May 2018 to: swakop@nadeet.org. Only short-listed candidates will be notified.

Intern needs to have own accommodation in Swakopmund but will be given a living stipend.
