

# STORY WRITING COMPETITION

English Creative Writing for Grades 8-12

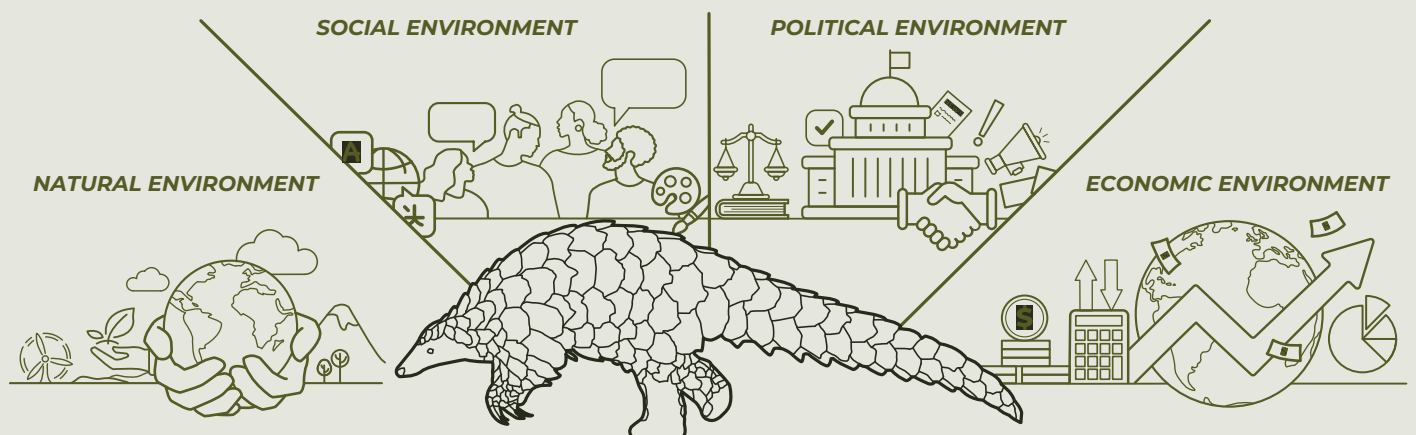

## LET EVERY SCALE COUNT — PANGOLIN & WILDLIFE CRIME

Pangolins are the **most illegally traded** mammal in the world.

*Pangolins are highly valued in south-east Asia for their meat and their scales.*

Pangolin stories illustrate our **inter-connected environments**, with topics in **natural, social, political,** and **economic** subjects.

Secondary school learners can write a story about the pangolin's experiences and the inter-connectedness of our world — **Let Every Scale Count**. Stories should be a **minimum of 600 words**.

Learners have until the **end of May 2022** to submit their stories to NPWG.

For more information: <https://n-c-e.org/namibian-pangolin-working-group>  
Informative resources have been sent to all 14 regions in Namibia.

**Prizes will be awarded** per grade and per region for creative thinking and writing!

Let Every Scale Count...

---

---

---

---

---

**MINIMUM 600 WORDS!**

## SOME IDEAS...

the story could include how it influences the writer's career choice

the story could include a strong and clever slogan used to protect an endangered pangolin

the story could show the geographical links across the world when animals are illegally traded

the story could include what crime can cost the country; police work, veterinary work, legal work etc.

## HAVE QUESTIONS?

Any queries can be directed to:  
nampwginfo@gmail.com

Stories must be sent by email or by post by the **end of May 2022.**
